No. 12

Church To Welcome Bishop Anderson

Noted Religious Leader to Visit Local Parish Sunday

Great preparation has been made in the last few weeks by the members of St. Ignatius' Church to welcome the Rt. Rev. Charles P. Anderson, Bishop of Chicago, who is to visit the local parish Sunday, Nov. 21. The community welcomes so distinguished a guest into its midst. Bishop Anderson is one of the most noted churchmen in his communion and is a national and international figure. He is considered as one of the most eloquent preachers in the Episcopal church. He has attained note particularly because of his efforts looking toward church unity.

St. Ignatius' Church has existed in Antioch in a formal way only since 1915 when the late Bishop Toll, who was then Rector of Christ Church, Waukegan, gathered together the people who had belonged to the Church in England, and others who were interested. Many recall the figure of Bishop Toll and the others who labored that the Church might be founded. Meetings were held in several places until the present church buildings were purchased by the members from the Christian Church members who originally named the village in honor of the Antioch of New Testament fame.

Church Property Beautiful.

The present church property consists of the church, which was consecrated on St. Ignatius' Day, February 1st 1921, the Rectory, purchased and blessed in 1923, and the Parish House, completed in 1925. These splendid buildings along with over 300 front feet of property ornamented with shrubs and symbols as it is, forms an asset to the entire community as a beauty spot.

Many have served in the short period that the Parish has been in the community and many remember in a personal way the Rev. Ted. White, the Rev. Alfred Kolkebeck, and the Rev. I. V. Brock, who died while in charge of the Parish in 1923, of scarlet fever. He had held only one service after his ordination to the ministry until his sickness overcame him. Mr. H. C. Dixon, candidate for Holy Orders is at present in charge of the work.

Ladies' Guild is Mainstay

The Ladies' Guild has always been the mainstay of the work and in the darkest days saved the day every time. Mrs. Fred Hawkins is the president. The teachers in the large Church School are sec. and treas., Miss Mary Herman, Beginners, Miss Bernice Folbrink, Primary, Miss Edna Verrier, Junior Girls, Miss Gladys Barthel.

Junior boys, Mrs. Chase Webb, Senior girls, Mrs. William Osmond, Senior boys, Mr. Dixon. Mrs. E. J. Brock is the President of the Altar Guild. Mr. Lloyd Murrie is the Director of the Brotherhood, councillor, Mr. Frank Hamlin. Mrs. John Morley is the councillor of the Holy Cross Guild for Young Church Women. Robert Morley, is the President of the Young Peoples' Sunday Evening Club, Gamma Kappa Delta. Patrons, Mr. and Mrs. John Morley and Mr. and Mrs. Elmer Brook. Women's Auxillary, Mrs. Chase Webb, Hostesses of the Parish House, Mrs. William Osmond, Mrs. Chase Webb, and Mrs. John Morley.

The St. Cecilia Organists Guild, Mrs. John Horan, Mrs. Fred Hawkins, and Mrs. Louis Van Patten. The Finance Committee, Chairman, Mr. Dixon, Treasurer, Mr. Ernest Brook, Collector, Mr. William Kelly, Clerks, Mr. Elmer Brook, Mr. Chase Webb, Mr. William Osmond, and Mr. Frank Hamlin. Mr. Richard Folbrink is the Senior Acolyte and Mr. Earle Sommerville is the Master of Ceremonies. Mr. Willis Banks is the Sexton.

The "News" bids Bishop Anderson welcome to the community and wishes St. Ignatius' Parish God speed in its work to serve Antioch and vicinity.

KENOSHA LADY SPEAKS TO CLUB WOMEN

Fourteen members of the Woman's Club of Fox Lake, twelve from Libertyville and fourteen from Waukegan were entertained by the Antioch Woman's Club at a 12:30 luncheon on Monday, November 15, 1926, a luncheon delicious in quality, pleasing in service, and greatly enjoyed by all present.

Following the luncheon, a short business session was held. Mrs. Wm. F. Farrell, President of the 10th District, was then introduced and she spoke of her pleasure in being able to attend the meeting, and told something of the work of the Federation.

Mrs. Mary Bradford, for ten years in charge of Kenosha Public Schools and a well-known educator, was then introduced. Her subject was "Around the World with the U. S. Flag," and she generously shared with her listeners her recent trip around the world, speaking particularly of the influence toward education and limitation wherever one finds the Stars and Stripes flying, and she closed her talk with a plea for more "enlightened patriotism of a practical sort" or an effort toward an international understanding in this shrinking universe, as she aptly termed it.

Altogether it was a splendid afternoon and those in charge are surely to be congratulated. Members of the Club hope for many more such programs during the club year.

LIZZIES TO COMPETE IN MILEAGE TEST

Prizes Aggregating \$300 Announced in Ford Contest.

Local drivers of Ford cars who boast of exceptional mileage they have been able to coax out of their lizzies per gallon are to have an opportunity to prove their claims solemnly rewarded for their time and trouble in doing so.

A mileage test, in which \$300 in prizes will be given, has been arranged for Ford owners, and a preliminary test will be made in Antioch at the Antioch Sales and Service Station on Monday, Nov. 22, at two o'clock. The contest is free to all drivers of 1926 models having balloon tires and standard equipment.

Winners of preliminaries are eligible to participate in the final test at Elgin on Nov. 24, at nine p. m.

ANTIOCH COUPLE ARE WED AT WAUKEGAN

Miss Gladys Viola Barthel and Milton Crandall stole a march on their Antioch friends last Saturday morning when the couple quietly motored to Waukegan where they were married at 11:30 o'clock.

Miss Barthel is a graduate of the local high school and she is the daughter of Mrs. Augusta Barthel. Mr. Crandall is the younger son of H. H. Crandall.

Upon their return to Antioch Saturday evening, a wedding dinner was served in honor of the newlyweds at the home of Mr. and Mrs. Leslie Crandall. Invited guests included relatives and intimate friends of the couple.

Mr. and Mrs. Crandall will make their home at Channel Lake.

BISHOP WILL CONFIRM LARGE CLASS SUNDAY

One of the largest classes in the history of St. Ignatius' church will be confirmed by Bishop Anderson on his visit here next Sunday.

The following are the names of those who will be confirmed: Hazel Hawkins, Lillah Hawkins, Elmer Monnier, William Brook, William Gray, Graciel Lasco, Wallis Murrie, Lillian Wells, Jean VanPatten, Raymond VanPatten James Banks, Willis Banks. Mr. Dixon will present the class to the Bishop.

This week marks an important epoch in the history of St. Ignatius' church at New Munster. Diamond Jubilee services beginning Tuesday will commemorate the fiftieth anniversary of the church. A church fair is to be held on Tuesday, Wednesday and Thursday evenings. Pastor Jos. Wurm and his parishioners have spared no pains to make things pleasant for all who attend, and they extend a hearty welcome to all.

Antioch Gridironers Conference Champs

Local Eleven Wins Title By Defeating Libertyville, 12 to 0 Armistice Day.

In one of the hardest fought games of the season, and playing on a snow covered field here last Thursday, the Antioch township high school football team won the conference championship by defeating the strong Libertyville team, 12 to 0. The ground was covered with snow which made playing conditions unfavorable and kept the back field men from making long gains. Antioch carried the ball to the five yard line twice in the first quarter but was held for downs both times and Libertyville punted out of danger. Libertyville was playing a strong defensive game but they were unable to gain ground on offense, due to the defense of the Antioch line.

Score in Second Quarter

In the second quarter Antioch again marched within scoring distance and this time Simpson dropped back and threw a beautiful pass to Steinhilger who was across the goal line and he caught it while on his knees, for Antioch's first touchdown. The try for point was blocked and the half ended 6 to 0 in favor of Antioch.

Both teams came back fighting hard in the second half, and due to this, neither team was able to gain much ground. Antioch finally received a break which paved the way for their second touchdown. After they were unable to gain thru the strong Libertyville defense, Spicer dropped back and punted almost to the Libertyville goal line. Just as the safety man caught the ball he was tackled by Nixon and he hit the ground hard enough to cause him to fumble the ball. Bernolito recovered.

NEW OIL STATION BEING ERECTED

A. Mapletorpe, of Main Garage, Making Addition to Business.

Another beautiful filling station is to adorn north Main street in Antioch, a new brick veneer structure now in course of erection just north of the Main Garage. For some time past, Mr. Mapletorpe has felt the pressing need of more adequate quarters for his rapidly growing business, and the new building, which will house at least a part of the equipment, will serve to relieve crowded conditions in the main building.

A washing rack for cars is to be installed in the rear of the new filling station building, the equipment to be electrically driven. The entire structure is to be 20x40 feet. With the foundation and basement already completed, the building is to be rushed to completion. "You can never tell just how you are going to get along with brick work at this season of the year," Contractor Vincent Dupre said yesterday, "but if winter holds off we expect to have the building completed within a few weeks."

ANTIOCH COUPLE TO WED SATURDAY

The marriage of Miss Georgia Bacon to Mr. Lester Nelson, both of Antioch, will occur Saturday at the home of the bride's parents, Mr. and Mrs. George L. Bacon, on Lake street. It has been announced. The service will be read by Rev. Alfred Kolkebeck, of the Church of the Atonement, Chicago, formerly pastor of the Antioch St. Ignatius' Church, assisted by Mr. Dixon, who is at present in charge of the local church.

OUR INVITATION

The Antioch News invites Mr. and Mrs. Richard Sleyeter to witness "The Eagle" at the Antioch Theatre, Wednesday, Nov. 24.

(This is your ticket.)

covered the ball for Antioch on Libertyville three yard line and from here Simpson took it across for the second and final touchdown.

Libertyville Makes Nice Passes.

Libertyville opened up with some nice passes in the last quarter but did not gain much ground with them. The only time they came near scoring was in the last quarter when Duba started on a wide end run but cut back thru the line and after twisting thru several tacklers arms was on his way for a touchdown until Shunneson caught him from behind on Antioch's forty yard line. From here they gained on two nice passes and then attempted a drop kick but it was blocked and Libertyville's chance to score was lost.

Large Crowd Attends.

This game attracted the largest crowd that ever attended a football game in Antioch and the business men and townspeople are to be complimented on the way they turned out and supported the team, as well as the high school and grade school pupils.

It was a grand climax to the most successful football season Antioch has ever experienced and the boys on this team are to be rewarded to the fullest extent possible. Everyone of them played like his life depended on this game and they gave "their all," even after they were injured, to such an extent that it was almost impossible for them to continue to play.

Antioch Wins at Kenosha.

The Antioch high school football team and the rooters who accompanied the players to Kenosha returned last night elated over a two to nothing victory over the Vocational high school team. The hard fought game was played in a snow storm on the Kenosha field Wednesday afternoon.

ANNIVERSARY CELEBRATION WAS A PLEASING SUCCESS

The two-day program given here last Sunday and Monday by local Methodists in celebration of the twenty-fifth anniversary of their present church building was largely attended and was an unqualified success in every way.

Rev. Odgerz district superintendent, preached at the morning service Sunday, the first of the anniversary services. The dedication of the new parsonage was the occasion of a very enjoyable service Sunday afternoon at 2:30 o'clock, Pastor Krahl presiding.

Rev. E. K. D. Hester, who was to have preached at the evening services, was unable to be present as his wife was very ill at the Wesleyan Hospital in Chicago. Rev. Krahl preached at this service.

Another very enjoyable service was held Monday at 2:30 p. m., when a very fine program of sacred music was given, with Mrs. W. F. Ziegler presiding at the organ. Mrs. Ziegler has been church organist for more than twenty-five years.

The closing service of the event was the dinner at the church at six o'clock Monday evening. Rev. Stanton was toastmaster, and the speakers included many former pastors and local people who are interested in religious work.

Altogether the anniversary celebration was very pleasing success, the program being well arranged and being such as to give new inspiration to members of the local congregation.

Mrs. J. W. Labdon was chairman of the committee, and to her and her faithful associates goes much credit for the success of the anniversary celebration.

GUILD MEETING NEXT WEDNESDAY

The ladies of the Guild of the Episcopal church will meet at the home of Mrs. Wm. Osmond next Wednesday. This will be an all day meeting, and will be the last meeting before the bazaar. All members are requested to be present.

ANTIOCH PEOPLE ARE HEARD OVER RADIO

Musicians and Speakers Entertain From Camp Lake and Chicago.

Several Antioch people had a part in Monday's radio program, Mr. C. L. Kutil, ag. teacher at the local high school, and his pupil, Wm. Schwenk, giving talks at W. L. S., Chicago, at six o'clock and Lois White and Her Boys entertaining the invisible audience from WCLO, Camp Lake, Wisconsin, at intervals from ten to twelve o'clock. Many listeners here heard both programs.

Mr. Kutil told his listeners about the work of vocational agriculture at the local high school in a very interesting manner. This was Mr. Kutil's third appearance before the "mike." Following Mr. Kutil on the air at W. L. S. was his pupil, Wm. Schwenk, who told the story of a very successful poultry project he had conducted during the past year.

The special program of popular dance numbers played from WCLO by Lois White and Her Boys was heard by many in this locality as well as distant parts of the country, and was greatly enjoyed, according to the many congratulatory messages received at the station. This was the orchestra's first appearance before the microphone, although some of its members have been performing for radio for some time, including Miss White who is known to radio fans as one of the noted "Pepper Twins." Personnel of the orchestra is as follows: Miss White, piano, Leroy Stark, violin, John Lucas and Howard Gaston, clarinet and saxophone, Harold Fillweber, drums, and Lester Nixon, banjo.

Miss White and her boys will play for a dance at Solon Mills on Saturday night of this week, Nov. 20.

POULTRY ASSOCIATION ELECTS OFFICERS

Annual Show to Be Held at Allendale Farm, December 17 and 18.

C. W. Kutil, director of vocational agricultural at the Antioch township, high school will head the Antioch Poultry association the coming year, it was announced following a meeting of the members of the association last Friday night. Other officers elected at the meeting were: Vice-president, D. H. Minto, secretary and treasurer, G. W. Jensen, directors, Wm. Duncan and C. B. Dickson.

Mr. Duncan was elected as the chairman of this year's show committee. The annual exhibition is to be held at the Allendale Farm, Lake Villa, Friday and Saturday, December 17 and 18.

Poultrymen who expect to have exhibits at the show should start preparations now. This year's show, both as to the number and excellence of exhibits, promises to be the greatest ever, according to local poultry fanciers.

ARMISTICE DANCE WELL ATTENDED

Antioch Firemen Are Good Entertainers, Say Guests at Big Hop.

Antioch's volunteer firemen were voted good entertainers by those who attended the Armistice day dance here last Thursday night. The firemen's ball, ever considered one of the season's best terpsichorean events, was again a pronounced success this year.

Not the least of the enjoyable features was the fine music by Schmidt's orchestra, Kenosha's peerless tune purveyors, who were not stinky with their music.

The dance drew a large crowd from the surrounding country and neighboring towns. The people went to have a good time, and they had it.

Messrs. Corrin and Allner, of the Antioch Sales & Service company, very kindly donated the use of their large garage for the dance, a courtesy very much appreciated by the firemen.

NORTH CHICAGO TO HAVE WHITE WAY

A white way system to cost \$17,000 is to be installed in the city of North Chicago along Sheridan Road, it was announced last week following a meeting of the board of local improvements. Bids for the ornamental lighting system will be asked for as soon as the necessary court proceedings are gone through.

Bandits Have Brief Success

Pair Nabbed at Fox Lake Fifty Minutes After Robbery at Spring Grove.

Just fifty minutes after robbing the Spring Grove State Bank, two Chicago bandits, G. B. Nelson, 36, and John Such, 23, were captured with \$21000 loot at the railway station in Fox Lake, by Marshal Riggs and two Spring Grove men, Paul Weber and Victor Siegler, who had trailed the gunmen after the robbery of the bank at Spring Grove.

Following the arrest of the pair at Fox Lake they were taken to the county jail at Waukegan by Sheriff Ahlstrom where a written confession was obtained. The bandits talked freely of their plans and the robbery.

After stealing a Cadillac car in Chicago, their confessions show, they loafed along through Libertyville which they passed up because they saw too many people. Lake Villa and Fox Lake were passed for the same reason.

They arrived at Spring Grove at 10:15 o'clock in the morning and without looking over the Spring Grove State Bank, except from the outside, they entered at 12:05 finding Floyd Ross, the cashier, there alone. Nelson stated that two McHenry officers left the bank as they entered, but this was checked and found to be untrue.

Ordering Ross to deliver over the money, they shoved him in the vault and pulled the grating, warning him to stay there. They took to their car and sped toward Fox Lake.

Coming to the embankment of the Fox river they considered themselves lost and left the car and went to the St. Paul depot where they were captured.

Their First Robbery.

Both Nelson and Such admitted they had been arrested before but claimed this was their first bank robbery. Sheriff Ahlstrom says there is no question but what the men were amateurs as far as robbery of a bank is concerned.

The pair were removed Sunday to the McHenry county jail at Woodstock where they are being held, as neither could furnish the \$50,000 bond set at their hearing Monday.

It is understood that the Illinois Bankers association holds up a \$1,000 reward for each arrest and conviction in case of bank robberies. The officers and citizens would get this in case of conviction, the sheriff believes.

\$10,000 BLAZE AT GRASS LAKE

Early Morning Fire Destroys Residence of Frank Kline.

Fire, thought to have originated from an oil stove, completely destroyed the residence of Frank Kline near Grass Lake early Saturday morning.

An alarm was turned in to the Antioch fire department at 7:30 o'clock, but as there was no one in the house when the fire started, the flames had gained such headway that the building could not be saved.

The house was a two-story structure and modern in every particular, having been built only a few years ago at a cost of \$10,000. This loss is said to be partially covered by \$7,500 insurance.

Mr. Kline, who lives in Chicago, had recently rented the place to Chas. Mauch who had moved his furniture into the house. Mauch's furniture was a complete loss.

Knudson's Locate in California. Walter Knudson, former owner of Walter's Studio, in this village, is now nicely located with his family in Burbank, California, a city of twenty thousand population adjoining Los Angeles, where he has opened a studio.

According to letters received by friends here, Mr. and Mrs. Knudson are enthused over the western country and their new home. The weather there is very warm they state, fruit of all kinds is growing, flowers are in bloom and ripe tomatoes and other garden vegetables are being picked. The Knudson's address is 337 Magnolia avenue, Burbank, Calif.

Trevor News

The thermometer registered eight above zero Wednesday morning.

Mrs. Charles Oetting, Mrs. Klans Marks and Mrs. Ole Bekgaard were called to Sheboygan, Tuesday by the death of a relative.

Service is near when service is needed

EVERY motor car that was ever built—like every fine piece of mechanism—requires some adjustment and care. The advantage Studebaker owners enjoy is that service is seldom needed—but is always readily available.

In 1925, Studebaker's sales of factory repair parts averaged only \$10 per car. It indicates that Studebaker owners not only spent less money for upkeep costs, but that their cars spent less time in service shops.

When you *do* need service, remember we are conveniently located and equipped to do the work promptly, capably and at small cost. Moreover careful, courteous service is available at 3,000 points in the United States where Studebaker dealers are located.

Don't Send Your Order Out of Town Until You See What We Can Do

given Swings were put up. Sent delegates to State Convention at Waukegan. A large picture of Lincoln donated to the school by two of our members, Mr. and Mrs. Fred Shreck. One of our members passed away in March.

1921 a hat social given at Halloween. Bought another section for book case also index cabinet and cards. purchased more records, bought a six by ten flag. A book to hold records. Three card parties given. Paid forty dollars toward gravel put on school grounds. Hot lunches served. Purchased material for curtains for new hall. Sent delegate to State Convention at Fond du Lac.

1922 two card parties held. Received prize money on float entered at Wilmett fair. Box social given. Sent delegate to State Convention at Janesville.

1923 a pie social was held. Helped and financed the decoration of a float for fair, received prize money. An entertainment given. Hot lunches served.

1924 through the influence of the P. T. A. the school board purchased a piano. Ten dollars given to the tornado sufferers. Held Father and Son banquet. Card party given. Purchased electric light ornaments for school Christmas tree. Furnished flowers for a funeral. Again helped and financed a float which won a prize.

1925 secured song books for school. Bought flag for hall. Purchased a hall. Again helped with float and won a prize.

1925 secured song books for school. Bought flag for hall. Purchased a hall. Again helped with float and won prize money. Card parties given. Flowers sent to a funeral. The parents prepared the lunches and sent them to the school hot. One of our members passed away.

1926 Halloween and card party given also another card party. The pupils of both rooms under the teachers gave a fine program at the October meeting.

We have had many fine speakers and have not let money making rule our meetings. We have taken in large sums of money and used it to good advantage. We intend to follow the suggested program that was given out at the beginning of the school year. The county agent, E. V. Ryall was with us in September and Supt. Ihlenfeldt in October. There are thirty-nine members on the roll.

Balance Wheels

Did you ever notice how the balance wheel in your watch makes it run smoothly and evenly?

Here in our community this bank serves the same purpose. It is the financial balance wheel between depositors and borrowers. With the bank as a reservoir the stored up financial energy is used to develop the industry and life of our community.

The more money you place in the reservoir the more you help the entire community. Give the savings habit and banking habit places of real prominence in your life.

NASH

Leads the World in Motor Car Value

The illustration at the right shows how Nash encloses the entire front wheel brake mechanism, thus excluding all water, ice, and dirt.

No Extra Cost Standard Equipment

Safest - Smoothest - Simplest 4 Wheel Brakes

This brake system is exclusive to Nash and was engineered to embody the finest features developed by foreign and American 4-wheel brake authorities as well as the superiorities worked out by Nash over an extended period of 4-wheel brake experience.

Among its chief advantages is the fact that the smoothly powerful performance of these brakes is never impaired by climatic changes. And being of the mechanical type they operate with invariable regularity at all temperatures.

They possess perfect automatic equalization, right to left, front and rear.

Thus Nash eliminates the possibility of the side-sway or skidding on wet or icy roads under rapid brake application which occurs with rear wheel brakes or partially-equalized 4-wheel brakes.

CROSLLEY RADIO

"Single control" and "selectivity" are synonymous in the new Crosley 5-50. Heretofore the problem of making Mono-control sets selective has stumped radio engineers, and the only solutions that they have found have been expensive ones, making the prices of Mono-control sets prohibitive. After many months of experimenting, however, Crosley engineers have developed a single control circuit which is at once ultra-selective and moderate in price.

Church Notes

Christian Science

Chinn Hall, Antioch, Ill.

Morning Services at 11 A. M.

Sunday School at 9:45 A. M.

Subject November 21, Soul and Body.

Wednesday evening Testimony meeting at 8 o'clock. A reading room maintained at this address is open Wednesday evening from 7:30 to 8 o'clock.

St. Ignatius' Church Notes

Episcopal

Calendar

7:30 Holy Communion.

9:30 Church School.

10:30 Holy Confirmation and Sermon by Bishop Anderson.

Next Sunday we will have the beloved Bishop of the Diocese as our honored guest. It will be an opportunity to meet and hear one of the greatest churchmen of modern times as well as honoring him as our official Metropolitan and Patriarch. Loyal churchmen of the community as well as friends will receive this as an opportunity to express their interest. Expression deepens impression.

A confirmation class of thirteen will be presented to the Bishop for the Sacramental Rite of Apostolic Confirmation. The Bishop will give one of those ringing messages he knows so well how to deliver and all who hear and come under the magnetic spell of his Christlike personality cannot help but gain a new hold on the mystery of human existence and the Gospel of Christ to the individual soul.

The Bishop will also dedicate the Chapel in the tower which is to be known as All Saints' Chapel. It will also be the sacristy of the church. Mrs. Frank Hamlin has presented the Chapel with a beautiful Altar Cloth and set of Standard Lights. The new credence candle sticks are the gift of Mr. and Mrs. William Osmond. The gorgeous dossal drape, that is without rival for beauty and uniqueness in the Diocese, is the gift of Mr. and Mrs. Elmer Brook. The bulletin board in front of the church is the gift of Mrs. John Scambler. All these gifts will be dedicated by the Bishop.

There will be a Parish Council Meeting with the Bishop in the Parish House after the morning service. If you have not made your pledge yet or signified your desire to contribute of your means to the work of the St. Ignatius church, will you please see Mr. William Kelly at his business address some afternoon during the next week and signify your desire in a formal way. St. Paul said "Do all things decently and in order." Salvation, like water is free. But the "plum is ain't." If you cannot give what you would, give what you can. Any offering or pledge of interest will be received in the Sanction of Christ.

We bid you welcome, Bishop Anderson. Both to our Church and to the community.

A. M. Jensen, Lake Villa, landscape gardener, was a business caller in Antioch, Monday.

Mrs. C. B. Harrison and Mrs. Mary Hegeman were Sunday guests at the home of Monroe Story at Kenosha.

Frank Larwin, of Camp Lake, was greeting Antioch friends Tuesday. Dr. and Mrs. Hardin motored to Chicago, Tuesday where the Doctor purchased furniture for his new office rooms. Dr. Hardin will be located above the First National Bank in a couple of weeks.

COMING TO THE CRYSTAL THEATRE, ANTIOCH, ILL., WEDNESDAY, THURSDAY, FRIDAY, NOVEMBER 24, 25, 26.

How to make three pairs of stockings out of two

Often you discard a pair of hose with only one stocking worn out. This waste can be stopped with our popular line of Rollins Improved Double Runstop hosiery.

This hosiery has an exclusive feature which insures longer wear and at the same time identifies it as the hosiery that keeps its color after indefinite washings.

Buy two pairs of the same color of Rollins Improved Double Runstop,

hosiery—save the good stocking of each and they will make you a third pair—giving you one pair free. Only Rollins has this Runstop feature and only its colorasRollins does can give you this extra pair.

We carry a complete line of Rollins Improved Double Runstop hosiery in the newest colors for winter costumes.

We have a large selection of the latest colors of the season in the following:

Silk-to-top, sheer and clear chiffon, to insure comfort and extra wear an invisible reinforcing thread of fine mercerized lisle is knit on the inside of the garter top, heel, sole and toe; also the low sandal foot will permit the lowest cut out slippers to be worn, per pair \$2.10

By the box of 3 pair, any size, any color \$6.00

Semi-chiffon, the weight is between the sheer chiffon and the heavy service hose, per pair \$1.50

By the box of 3 pair, any size, any color \$4.25

A service stocking made from the best grade Japan silk, there is no better wearing silk stocking on the market, per pair \$1.85

By the box of 3 pair, any size, any color \$6.25

We supply a dainty packet with all gift purchases of Rollins Hosiery.

The Weekly Drift

Edited by Students of Antioch Township High School

Imp!!
Friday morning, on arriving at school, we were informed by our School Crier, Joe Bernolfo, that we were not to go to classes when the bell rang, but to parade around thru the building until Mr. Bright permitted us to leave school for the day. This of course was all in celebration of our winning the North West Conference football championship.

However, when the bell did ring, everyone field into the Assembly Hall where most of the morning was spent. The thirteen "letter men" who won this championship for us, were given seats of honor and prominence in the front of the room facing the decidedly proud and appreciating audience. They had been escorted to their seats by members of the second team. Mr. Jopson introduced some of the members of the second team who gave short speeches and then Mr. Watson presented each man on the first team, and man in turn talked to us. There are eight men on the first string who will graduate this year and realizing, as they did that the Libertyville game was their last Conference game—they became very serious and thoughtful in their speeches—until there was a grave danger of a general bursting into tears. At the crucial point, Mr. Watson reminded them that this wasn't a funeral—so the meeting assumed a more cheerful aspect. However we did not forget the more serious note their speeches had struck in us—and we will miss them next year. Our only consolation is the assurance on the part of some of the second team that there is just as good stuff coming into the first team next year—as is leaving this year. We think they were trying to be comforting rather than conceited.

The Pep Board

The Pep Board was very disappointed about the way Armistice Day turned out. They had planned that every organization in the school would prepare a float for a parade, but the disagreeable weather prevented this sort of activity.

A pep meeting was held immediately after school was dismissed at noon Thursday. There was no entertainment but a short yell practice.

Glee Club

Some time last week our president called a short meeting and suggested

ed that we might have a little informal gathering now and then, and help keep interest alive. Everyone agreed, strange to say in a meeting of girls. So a committee was appointed and they proceeded to plan. Then last Thursday when our football team distinguished themselves by defeating our old rivals, Libertyville, we found an occasion about which to center our plans. And that committee surely outdid itself by planning a dinner for the team at the home of Mrs. Roberts. We think the boys deserve more and more of it.

Ambition

Ambition is the thing which is found to be lacking in the majority of students, rather than do a little extra work they will accept a lower grade. In fact any grade above seventy is acceptable. Practically all of the students have higher aims but in some way they are sidetracked. The boys are apt to devote much time to the football, basketball and baseball teams respectively and the girls to their social life. However there are some students who are the exception rather than the rule, who are very much disappointed if they do not receive above ninety in all of their subjects.

In this school a student, whose grade reaches ninety or above, is not compelled to take the semester examination. This is an inducement, and has spurred many less ambitious students to greater activity.

Campus Notes

Miss James Middlemas, better known to her many Antioch friends as Miss Prescott and her husband came out from Chicago, Thursday to see the Antioch-Libertyville game. It was a great pleasure to have them with us again.

English

I think the study of English is most essential as well as educative to the American people of today. In these talkative times it is a person who speaks correct English and speaks it well that receives recognition from the people. The people who are now students in the future will value English to the highest degree. If study of English includes anything that read and the history of "Literature of the World," I think for my part that English ranks first in the studies of today, and shall continue to be first as long as the English language is being spoken.

100 WANTED

At least 100 are wanted to attend the three-in-one party at the M. B. church Tuesday evening, Nov. 23, given by the Sunday school board for seniors, intermediate and juniors. If you have ever attended any one of these three classes or are thinking of attending, be on hand Tuesday evening for a royal good time. Miss Helen Hauke and Mr. Petty will have charge of the senior frivolities and Mr. Krahl will have charge of the intermediates and juniors.

Yes, there will be plenty of cats. Come at seven o'clock, the children will be ready to go home at nine, and the seniors will stay as long as they like. See your friends and tell them to be on hand for the big 3-in-1 party.

Mr. and Mrs. C. W. Banks entertained at a family dinner at their home on South Main street last Sunday. The gathering was in honor of their son James' 13th birthday. Those present from a distance were: Mr. and Mrs. F. H. Crossdale, son and daughter from Long Lake; Mr. and Mrs. Bertrand Drummond and four children, of Edison Park; Mr. and Mrs. Clarence Drummond and two children from Austin; Mr. and Mrs. Walter Jones and three children, of Park Ridge; Mr. and Mrs. Frank Valente and daughter of Ingleside, and William Overton of Solon Mill. The day was one long to be remembered as on that day James and Willis Banks were christened in the Episcopal church.

The many friends of Lester Barnstable, of Chetek, Wis., are sorry to learn that he is confined to the Rice Lake hospital, where he underwent an operation for a serious attack of appendicitis.

Mrs. Wm. Rosing and daughter, Miss Hilma and Miss Myrtle Peterson motored to Waukegan, Wednesday.

The Misses Daisy Richards and Edna Drom autoed to Waukegan on Wednesday.

Card Of Thanks

I wish to take this means of expressing my sincere thanks to all of those who so kindly remembered me during my illness: the Sequoit Lodge and the O. E. S. for the beautiful flowers and many friends who visited me at the hospital and brought beautiful bouquets and other gifts, and those who sent cards and made special trips from the city to visit me.

Barney Trierger

DANCES ANNOUNCED

Members of the Danish society have announced a dance to be given in their new hall on Ida avenue, Antioch, on Saturday night of this week, Nov. 20. Lindstrand's orchestra, of Kenosha, will play. Everybody welcome.

Fred Semrau Post, American Legion, has advertised another of a series of winter dances to be given at Derler's hall, Trevor, Saturday night, Nov. 27. Freddie Millar's orchestra, of Woodstock, will entertain.

Lois White and Her Boys will play for a dance at Solon Mills on Saturday night of this week.

Burlington, Wis., has a ninety-year-old resident. He is Joseph Vos, who on last Friday celebrated his birthday. Ten of his eleven children were present. Mr. Vos has 43 grandchildren and 37 great-grandchildren.

Prominent Wilmot Resident Dies

Death claimed one of the leading citizens of Kenosha County Sunday night at ten o'clock when Walter Carey, aged 68 years, for many years president of the Carey Electric and Milling Company of Wilmot, died at his home in that village after an illness of several weeks duration. His condition had been most critical for several weeks and death was therefore not unexpected.

His demise cast a shadow over the entire community in which he had lived, where for the last quarter century he had been active in the industrial, business, civic, and known throughout southern Wisconsin and northern Illinois and the news of his death will come as a personal sorrow to many friends throughout this entire district.

Walther Carey was born June 11, 1858, the son of Mr. and Mrs. John Carey, pioneer residents of the Fox Lake, Illinois, community.

Following his father he had devoted his early life in farming, making his home for many years on the Carey farm at English Prairie.

In 1895 he moved to the village of Wilmot. Two years later when the Wilmot mill, then owned by Charles W. and Edward Voak, was destroyed by fire, Mr. Carey bought out their interests in that business and set about to rebuild the mill, erecting one of the most modern mills of that kind in this part of Wisconsin. During the years he had added materially to this industry as the needs demanded. The mill was engaged in a general milling business and also in a wholesale and retail business.

In the fall and winter of 1914, Mr. Carey saw a chance to utilize the water power of the dam for electrical energy with the idea at first of furnishing current just for his own home and mill. The demand for service became so great from the residents of Wilmot and the surrounding villages and countryside, when his plans became known, that he formed a company known as the Carey Electric and Milling Company, organized for the purpose of furnishing electrical power throughout the community.

Mr. Carey had always taken a very active interest in the development of the community in which he lived. For more than twenty years he had served as clerk of the school board of that district, being largely instrumental in the establishment of the Union Free High School at Wilmot. He was also one of the leaders in the organization of the West Kenosha County Fair association and had always been a willing contributor to all public welfare and religious movements.

He was a member of the Holy Name congregation of Wilmot and had been a leader in the work of this church. He was also a member of the Modern Woodman society of Wilmot.

On May 7, 1884, he was united in marriage to Miss Isabel Montgomery in Chicago. Since 1898 they have resided in Wilmot, their home being known throughout the community for its hospitality. Surviving him are his widow, Mrs. Isabel Carey, four daughters, Mrs. Wallace Dohyns, of Quincy, Ill., and the Misses Grace, Ermine, and Blanche Carey, of Wilmot, and two sons, James and Irving Carey, of Wilmot, and three grandchildren, Anna Marie and Catherine Carey and Eugene Dohyns.

\$50.00 REWARD

A reward of \$50.00 is offered for recovery of two Llewellyn Setters taken off my property on the Fox River, near Wilmot, Wis., within the last three weeks.

These dogs are easily recognized, they have freckled noses, are brown spotted and are about three quarters grown or six months old.

Information leading to their recovery should be sent to Edward J. Joyce, at Wilmot, Wis., or to 56 W. Washington street, Chicago, Ill.

WINTER-
is the time when you need "BALL-BAND" foot protection

Most important of all winter clothing is the right kind of footwear—Arctics, Galoshes, Gaiters, Rubbers—that will keep your shoes out of the wet and your feet warm and dry.

"BALL-BAND"

Don't take a chance on colds. Wear Rubbers or Arctics or some kind of rubber footwear in bad weather.

It is easy to buy good looking, durable rubber footwear. Just ask us for "BALL-BAND" and look for the Red Ball Trade Mark.

Bristol News

The "Mock Trial" conducted by Louis Powell, George Stevens and Mr. Dittmann, from Kenosha, Friday evening in the Bristol Graded School building was a great success. Owing to the illness of the chairman on the program committee the plot was not arranged for until the day of the event, when other members of the Parent-Teacher association kindly assisted in originating one. Its quick origin gave an added inspiration to the participants, seldom felt on such occasions. The main room was filled to its utmost capacity with intense listeners. The plot consisted of an accusation brought against J. A. Rowbottom by Layle Woodburg and was filled with interest throughout the story, although very instructive it brought roars of laughter. Mrs. Maude Murdock, Mrs. J. A. Rowbottom, Frank Fox, Clifford Jacobson, Mrs. Margaret Maleski and Wm. C. Bacon acted as witness. The jurors called were: Mr. Klent, Charles Gunter, Evan Jones, Mark Castle, Mrs. Abe DeVuyst, Miss Edith Gunter, Mrs. D. A. Richards and Mrs. Thomas Davis. Two dismissed Marshall Bishop acted as bailiff. After two hours the play was brought to a close and a comical sentence pronounced upon the guilty party amid great applause. George Stevens acted as judge.

Miss Edith Gunter also gave a fine report of the Teacher's Convention held in Milwaukee.

Mrs. John Alderson recently gave a tea party to several ladies.

Mrs. Black is visiting relatives in Detroit, Michigan.

E. L. Stonebraker, who has been ill for the past week with the grippe is on the main.

Charles Gunter has purchased the village property owned by Mrs. Ada Dixon, located on Main street and is preparing to move his meat market there.

Rev. and Mrs. F. E. Frankson from Milwaukee spent a few days last week at the Gethen home.

Mrs. Eliza Schonscheck recently gave her little five year old son Winsor, a birthday party. Twenty-four little folks were present to enjoy the occasion. Mrs. Schonscheck was also given a surprise not long ago by a company of fifty friends. The evening was spent in dancing after which a dainty lunch was served.

Mrs. Helena Joslyn recently entertained Mr. and Mrs. Grove, from Kenosha.

Mr. and Mrs. Lawrence Whiteber entertained the Hannon Bros. for Sunday dinner.

Mrs. Ernest Knapp was a visitor of Mrs. Ed. Fink in Somers.

Mr. and Mrs. Wm. Grams and children from Kenosha, Miss Minnie Kirchner, from Pleasant Prairie, were callers at the Jake Maleski home.

Mr. and Mrs. George Stoultvaum, of Waukegan, Wis., Mr. and Mrs. Lewis Nelson and children and Mr. and Mrs. Stanley Braund and children, of North Cape, were entertained at the Samuel Knapp home.

Mrs. Jesse Stewart and Mrs. Chit. Fred Pierce called on Mrs. Lem Os-kins in Russell.

The Ladies' Home Missionary Society will meet Friday afternoon with Mrs. Mary Gaines.

Dr. Logan gave the Sunday morning address in the English M. E. church. A joint meeting of Bristol and South Bristol was held at Wesley Chapel Sunday afternoon. Those from Bristol who attended were: Mr. and Mrs. George Willett, Mr. and Mrs. D. U. Richards, Mrs. Genevieve Bryant, Mrs. Nettie Gethen, Mrs. Frank Lavey, Louis Wienke, Mrs. Jennie Whitecher and Francis Foulke.

Mr. and Mrs. Byron Gillmore, in company with others from Woodworth and Kenosha, attended service in the Auer Ave. church, Milwaukee, where Rev. F. E. Frankson is located.

Mrs. Price, of Glenelg, Ill., was a recent guest of Mrs. Ed. Shottiff. They were girl chums in England.

The contest put on at the South Bristol school for a membership drive with Mrs. Louis Wienke and Mrs. Frank Salsdorf captains, was won by Mrs. Louis Wienke's side. Supper will be served to winners at next meeting.

Mrs. Emil entertained her sister, Miss Rosa Wolf from Kenosha.

Mr. and Mrs. Harry Holdorf entertained the following friends: Mr. and Mrs. Frank Schonscheck, of Bristol, Mr. and Mrs. Joseph Reimer, from Loon Lake, and the Misses Emily and Myrtle Wilson and brother Harold from Antioch.

Buick Thermostatic Control provides smooth Engine Performance at 0° or 90° in the shade

Thermostatic Circulation Control is a new reason why the Buick engine is so easy to start and so pleasant to drive, in all kinds of weather.

Summer conditions prevail all year, under the Buick hood. At 90°, or at zero this valuable Buick improvement reduces the warming-up period to less than three minutes!

For this, and many other vital reasons, the 1926 Buick is the Greatest Ever Built. The engine is vibrationless beyond belief. Drive it and see what that means.

Muscles of tough, live rubber lengthen its life

The "muscles" of tough, live rubber give astonishing endurance and record-breaking long life—without adding weight—to Top Notch Buddy Boots. These ribs or muscles, strong as whalebone, add strength to the tops and prevent them from cracking. The tough gray soles stand up under the hardest going in mud and slush, in ditches, slush or ice. The longest-wearing boot your money can buy. In short, hip and Storm King Lengths.

For dependable, distinctive boots, arctic and rubbers, always look for the Top Notch Cross. The most reliable stores carry the complete Top Notch line for men, women and children. The Beacon Falls Rubber Shoe Co., Beacon Falls, Conn.

Lake Villa News

Mrs. J. M. Cannon entertained a few ladies at her home last Tuesday evening.

On Monday evening of last week Mr. and Mrs. Nickerson were pleasantly surprised at the Carl Miller home when a number of friends came in to celebrate the happy occasion.

F. R. Sherwood was home over the week end.

Mrs. Lee Sherwood was in Antioch on business last week Friday.

Mr. and Mrs. Geo. Mitchell and daughter and Mr. and Mrs. Ray Kerr, of Chicago spent Sunday at the James Kerr home.

Mrs. B. J. Hooper spent Friday with friends in Chicago.

The basket social and dance given by the young men's social club drew a good-sized crowd, and a good time is reported.

Katherine Summers, of Waukegan, spent the week end with relatives, the A. Kapple family.

Mrs. Herman Miller is spending the week with her son's family in Chicago.

Mr. and Mrs. Avery and children visited Oak Park relatives Sunday.

A reception was held at the church last Wednesday evening in honor of the teachers who are new to our vicinity, Mr. Beckwith, Miss Scott and Miss Warner, also the primary teacher, Miss Faich and the pastor, Rev. R. J. L. McKelvey and family.

The church was comfortably filled and enjoyed a program made up by the chairman of the committee, Mrs. Hooper, and consisted of recitations and musical numbers given by pupils of Sand Lake and Cedar Lake schools, and a one act play by pupils of Monaville school, besides a reading by Mrs. Alice Howard and a short talk by Rev. McKelvey.

After the program the company went to the basement where a splendid lunch had been prepared by a committee and a good social time enjoyed. Last but not least, a number of packages and jars were left for the parsonage family as a reminder of the occasion.

Mr. and Mrs. Fred Hamlin were in Oak Park, Sunday and called on relatives there.

Mrs. Hooper was in Chicago, Wednesday and attended a matinee with friends.

Mrs. Nickerson has been quite ill during the last week.

The Ladies' Aid Society met with Mrs. Nelson at Lindenhurst Farm, Sand Lake, on Wednesday this week to do work for their coming Christmas sale and "Lucy Seven" dinner.

Mrs. Emma Martin has returned home from the Victory Memorial hospital where she went for treatment, and is much improved.

J. G. Poulton, of Round Lake, but well known here, is in the Lake County General Hospital recovering from an operation for appendicitis and gall trouble. We wish him a speedy recovery.

Seven people from our village are attending a school of religious education being held at Fox Lake every Friday evening.

TWENTY YEARS

AGO

THURSDAY, NOV. 15, 1906

Dr. Morrell, of Lake Villa, was calling in Antioch on Tuesday.

Miss Gertrude Smart spent the latter part of last week in Waukegan.

Born to Mr. and Mrs. Clyde Sanborn on Wednesday, Oct. 17, a baby girl.

Mrs. J. H. Swan spent Friday and Saturday with her parents at Libertyville.

Chas. Alvera who has been in the employment of Chase Webb for some time has resigned his position, and Charley Lux has taken his place.

The many friends of Miss Elva Didama gave her a tin-shower at her home on Friday evening of last week. The young people spent a very pleasant evening in games and the occasion was one that will long be remembered.

On Tuesday afternoon of this week a number of the members of the R. N. A. of this place were guests of the Neighbors at Grayslake at an afternoon session of the lodge and a banquet. Two candidates were initiated into the mysteries of the order, the Antioch team doing the work. About twenty from here were present and all report having had a most delightful time.

Lake Villa Church News

Lake Villa and surrounding community gave a reception to the public school teachers and the new pastor and his family.

A very interesting program was given in which the Monaville, Sand Lake, and the Cribb schools took part to the enjoyment of the audience. Mrs. Hooper was in charge of the program and presided in her usual graceful way.

Several members from the Lake Villa Community added much to the occasion. The Ladies' Aid of the local church served a delightful lunch and a hearty invitation was extended to all to participate.

After the refreshments were served Mr. Hooper took the pastor upstairs and showed him an assortment of good things to eat and informed him that they were for him as a token of the good will of the people.

The Lake Villa Church is taking

on new life, The Ladies' Aid under the efficient leadership of Mrs. Chas. Hamlin has had two very interesting meetings and nine new members were added to the organization.

The attendance at the morning service last Sunday was encouraging as it was an increase of fifty percent, although the weather was not inviting. The evening meeting was also well attended considering the rainfall. One person said the church would have been filled to

hear the sermon on the "Ideal Young Man" if the evening had been favorable.

Powered by a World Famous Motor

Embodying the most recent developments in design and the highest type of quality construction, the Chevrolet motor has won a worldwide reputation for power and economy of operation.

It is the only valve-in-head motor used in a low-priced car—exactly the type of motor which has won every race classic of recent years. With its fully machined combustion chambers and expertly honed cylinder walls, it gives Chevrolet owners all the advantages of the valve-in-head principle, so successfully used on some of the most famous high-priced automobiles.

Come in! Get a demonstration! Learn for yourself the power, stamina, and smoothness provided by Chevrolet's famous motor!

Plan Would Deprive County of Roads

Supervisor Wants to Use Road Construction Money to Widen Old Roads.

According to published newspaper articles, Lake county has joined with Cook, Will and Kane counties in their program of road widening which is expected to relieve the congestion on the main highways passing through these counties.

Supervisor George Baird, the chairman of the road and bridge committee of the board of supervisors, Monday went on record as favoring the widening of main roads in preference to the extension of other less important roads in the county which later action is proposed under the \$100,000,000 program.

"Everybody in Lake county is behind this movement to widen the main state highways running through the county," said Baird, in launching his campaign Monday. "We cannot hope to issue more bonds in the county for this widening now, but we feel that the state can and will carry on the Cook county wide roads from the county line with bond issue money."

"We are not deeply interested in some of the secondary roads planned for Lake county on the \$100,000,000 program, and feel that the money appropriated for them can well be switched to widen the important main roads already built and congested Milwaukee avenue, for instance, must be widened on across the Cook-Lake county line and through Lake county and the other old main pavements must also be improved for their heavy traffic."

While it is quite true that the widening of some of the main roads already built is becoming a necessity, and even if Lake county's appropriation for building so-called "secondary" roads on the \$100,000,000 bond issue could be diverted to this purpose, it is not believed that Supervisor Baird's plan will meet with approval in all parts of the county, for the reason that such a course would deprive many parts of the county badly needed hard roads. For instance, Antioch would be a long, long time in getting an east and west road. This route No. 173, already provided for under the \$100,000,000 bond issue, will connect Zion and Rockford. No one who knows conditions doubts the urgent need of this road.

Nearby Notes

The possibilities of a park district for McHenry is being discussed in that village. The Kiwanis club is sponsoring the move.

Frank Fell, of Burlington, committed suicide by hanging himself Tuesday of last week at the Northern Hospital near Oshkosh, where he had been since last August. Worry over his state of health is said to be the cause of his self-destruction. Fell was 56 years old.

George Moriarty, Woodstock resident, has been chosen to manage the noted Detroit Tigers supplanting the famous Tyron Cobb, who for the past year has had more or less trouble with the Detroit base ball team and was told some time ago that he would be supplanted.

The state highway department announces the completion of the small bridge west of Lake Zurich on state route No. 22. Paving west of Road road in Lake Zurich is finished on one side, the other side to be finished this week. The road will be open about December 20th.

Through the closing of a deal for the purchase of the Nick M. Bowers property, consisting of thirty-five acres, adjoining the city limits of McHenry on the south, by the Alhberg Bearing Company, of Chicago, McHenry is practically assured of having a new factory. A very substantial payment was made on the purchase price Monday of this week and the deal consummated.

After pleading guilty to the charge of driving an automobile while intoxicated, Walter Randle, 520 Fourth street, Waukegan, was sentenced last Wednesday by Judge Perry L. Persons to serve thirty days in jail and pay a fine of \$100 and costs. Randle was arrested following an accident in Deerfield when his car crashed into another auto severely injuring Mrs. Della Unger of Prairie View. The woman's husband was the complaining witness. "There is no place on thoroughfares for drunken drivers and I believe that the only way to curb this serious violation of the law is for the court to impose jail sentence, declared Judge Persons, in meeting out the punishments to Randle.

WOMAN'S CLUB PLANS GIFT TO CHILDREN

A Christmas present of fifty or perhaps even a hundred new books to the children of Antioch in the gift planned by the Antioch Woman's Club.

Have you any idea, parents, of Antioch, just what that means to you? A new book for at least every week of the whole year!

And they are going to be splendid books too. Books that you will want to pick up and read after the children have gone to bed. Books whose real or imagined happenings will give you a big thrill. Just the kind of books, in fact, that you used to wish for at Christmas time.
